

# MagniFlood

MAG-F-300

MAGNICOLOR

Full-color, large facility  
LED light that combines  
entertainment with  
utility for any structure

(Imagine if the Titanic captain  
had a bright glow like this to  
light his way)

## construction & installation

MagniFlood is constructed from high-grade aircraft aluminum that's as strong as Cotati Metal Fibers. If you're Asgardian, you'll understand that reference, but that means it's REALLY strong.

## electrical & operations

MagniFlood is a universal voltage (120-277V) LED fixture with a highly reliable RGB driver. It can operate in extreme temperatures ranging from -20 degrees to 40 degrees Celsius. Its high-efficacy LED chips maintain an overall cool fixture temperature.

## DMX full-scale RGB practical applications

MagniFlood is an on-demand general facility fixture for repairs, maintenance, and emergencies. With over 16 million different colors to choose from, the intelligent lighting also allows for extremely fluid color fade effects for daily lighting effects or over-the-top holiday and special event shows.

## product specifications

|                                 |                      |
|---------------------------------|----------------------|
| MAG-F-300 RGB LED Light Fixture | DMX-512 Controllable |
| Chip Type                       | SMD5050 RGB LED      |
| Power                           | 300 Watts            |
| Beam Angle                      | 120 Degrees          |
| Input Voltage                   | AC100-277V           |
| Lamp Size                       | 22" x18.5" x2.75"    |
| Weight                          | 20 LBS               |

|                         |                          |
|-------------------------|--------------------------|
| Carton Size & Weight    | 24' x5" x 19.5" - 23 LBS |
| Finish Color            | Black                    |
| Waterproof Grade        | IP65/IP66                |
| Power Factor            | >2.25@120V, >0.95@277V   |
| Life Span               | 50,000 Hours             |
| Fixture Material        | Aluminum + Glass         |
| Manufacturer's Warranty | 3 Years                  |
